Deaf & Hear Alberta

Deaf & Hear Alberta

Deaf & Hear Alberta is dedicated to addressing the accessibility, advocacy, education and communication needs of the Deaf, late deafened and hard of hearing. We remove barriers and build bridges to communication through three distinct streams:

INTERPRETING & DEAF SERVICES - American Sign Language (ASL) interpreting, ASL training, counselling, supports, and referrals

HEARING SERVICES - hearing loss awareness, management and support, as well as courses in speech reading

ACCESSIBILITY SERVICES - listening technology and communication, provide on-site assessments, assistive technology and training

Deaf & Hear Alberta

Deaf & Hear Alberta se consacre aux besoins en matière d'accessibilité, de défense des droits, d'éducation et de communication des Sourds, des personnes devenues sourdes (sourds tardifs) et des malentendants. Nous supprimons les obstacles et nous construisons des ponts pour communiquer en fonction de trois courants distincts :

INTERPRÉTATION ET SERVICES AUX PERSONNES SOURDES – Interprétation du langage ASL (American Sign Language), entraînement au langage ASL, conseils, soutien et recommandations

SERVICES DE L'OUÏE – Prise de conscience de la perte de l'ouïe, prise en charge et soutien ainsi que cours de lecture sur les lèvres

SERVICES D'ACCESSIBILITÉ – Technologies auditives et de communication, évaluations sur place, prothèses auditives et formation

a place of mind
THE UNIVERSITY OF BRITISH COLUMBIA

School of Nursing
Faculty of Applied Science

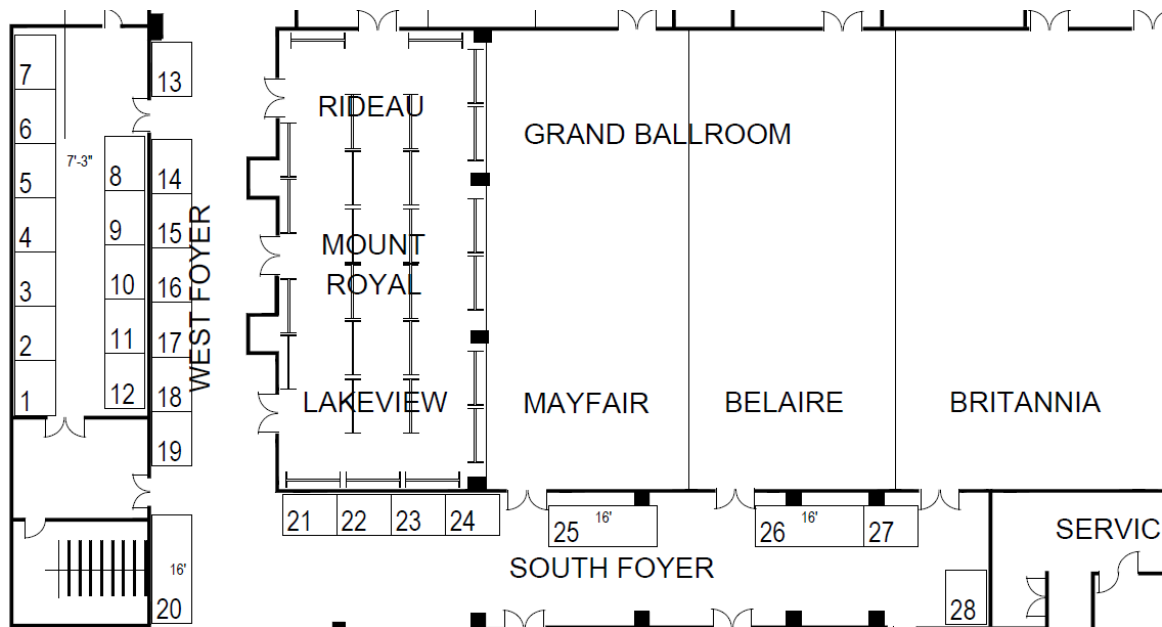

The University of British Columbia has recently launched an innovative Master of Health Leadership and Policy (MHLP) degree program. This one-year program enables mid-career professionals to enhance their technical expertise while developing business and leadership skills. Jointly offered by the UBC School of Nursing and the Faculty of Applied Science in collaboration with the Sauder School of Business, the program includes a specific degree in Seniors Health Care. This full-time program begins January 2016. mhlp.ubc.ca

L'Université de la Colombie-Britannique a récemment lancé un programme de maîtrise de leadership en santé et politiques de santé (Health Leadership and Policy [MHLP]). Ce programme d'un an permet aux professionnels en milieu de carrière d'améliorer leur expertise technique tout en acquérant des habiletés dans les domaines des affaires et du leadership. Conjointement offert par l'école d'infirmières et la faculté de sciences appliquées de l'Université de la Colombie-Britannique en collaboration avec la Sauder School of Business, le programme comprend un diplôme en soins des aînés. Ce programme à plein temps commencera en janvier 2016. mhlp.ubc.ca
